

ID	Story	Source	Notes
310	As a developer, I will research HTML for the frontend of our application.	https://developer.mozilla.org/en-US/docs/Web/HTML	
311	As a developer, I will research CSS for the frontend portion of our application	https://developer.mozilla.org/en-US/docs/Web/CSS	
		https://developer.mozilla.org/en-US/docs/Web/JavaScript	
312	As a developer, I will research Javascript for the backend portion of our application	https://expressjs.com/	
313	As a developer I will research REACT for the frontend portion of our application	https://reactjs.org/docs/react-api.html	
		https://docs.aws.amazon.com/codepipeline/latest/userguide/tutorials.html	
331	As a developer, I will research AWS CodePipeline for automated testing.	https://raaviblog.com/how-to-integrate-azure-repos-git-with-aws-codepipeline/	Azure Pipeline can submit successful builds to AWS CodePipeline for automated testing and release.
332	As a developer, I will research how to do simulations for automated testing of our application.		
347	As a developer, I will research how to automatically build code.	https://docs.microsoft.com/en-us/azure/devops/pipelines/yaml-schema?view=azure-pipelines	
393	As a developer, I will research how to add a navigation bar to all web pages.	https://react-bootstrap.github.io/components/navbar/	
398	As a developer, I will research how to set up cloudformation.	https://docs.aws.amazon.com/cloudformation/	
402	As a developer, I will research how to use Maven.	https://maven.apache.org/guides/	Maven is not necessary. Azure Pipeline will create build pipeline.
404	As a developer, I will research how to use Gradle.	https://docs.gradle.org/current/userguide/userguide.html	Gradle is not necessary. Azure Pipeline will create build pipeline.
408	As a developer, I will research dependency injection.	https://8thlight.com/blog/rani-zilpelwar/2021/02/18/dependency-injection-react.html	
414	As a developer, I research containerization with Docker.	https://docs.docker.com/get-started/	
415	As a developer, I will research container orchestration with Kubernetes.	https://kubernetes.io/docs/tutorials/	
451	As a developer I will research how to make reports	https://www.freecodecamp.org/news/how-to-create-pdf-reports-in-react/
